13. Indemnification and Insurance

- a. The commencement of any negotiation does not represent any obligation or agreement on the part of the City. No bid or proposal shall be deemed accepted until authorized by the City Council and a contract or purchase order between the City and the bidder is executed. Either the City or the bidder may terminate negotiations at any time with or without cause. If negotiations are terminated by either party, neither the City nor the bidder will have any rights against or liabilities to the other party.
- b. The selected bidder is responsible for any loss, personal injury, death, property damages, and any other damages of every name and description that may be done or suffered by reason of the bidder's negligence or failure to perform any contractual obligations. The selected bidder shall defend, indemnify, and hold harmless the City of Takoma Park, its employees, officials, and agents, from and against all losses, liabilities, claims, demands, damages, suits, costs, and expenses of any kind, including attorney's fees and litigation expenses, whether for personal injury, property damage or other liability arising out of or in any way connected with the bidder's acts or omissions under the Request for Proposals or under any contract resulting from the Request for Proposals.
